CONGRATULATIONS TO JOHN & ANNA CHAPMAN on the occasion of their 60th wedding anniversary. May they continue to witness God's love, fidelity and loyalty in their married life.

Pope's November Prayer Intention: We pray that the progress of robotics and artificial intelligence may always serve humankind.

During the month of November we celebrate Remembrance Day in commemoration of All the Faithful Departed particularly those who died during the wars in defense of freedom and liberty. Time for us to remember them in prayers. Consider offering special Masses for your deceased relatives and friends during this month. See Fr. Vic after Mass.

Remembrance Day is an opportunity to honor and pay tribute to those who fought to liberate nations from tyranny including those who died for our freedom. We would like to thank our very own Mr. John Hattin who has served in the Ontario Provincial Police and the United Nations Peacekeeping in Sierra Leone and the European Union in Afghanistan. He did lay the wreath

at our little ceremony inside the church last Sunday. Thanks to those who participated especially Theresa Pregent and Betty O'Brien and those in attendance; to the organizers, Evelyn and Henry. We will continue to honor those who served Canada in wars and in peacekeeping operations. Let us take a moment to pray and remember everyday the bravery of our country's veterans, the Canadian Armed Forces, their determination that have afforded us the peace and prosperity we enjoy today.

OUR ANNUAL COLLECTION FOR THE PRIEST BENEFIT FUND takes place on the weekend of November 22nd. This is another collection that we have had to schedule from the period of church closures in the spring. It is an essential one as it maintains the fund that cares for our retired priests in the diocese, so we really appreciate your generosity in supporting it. Special envelopes are located at the entrance of the church. Kindly write your name and address.

COVID 19 has already been with us for over half a year now and since then had brought significant changes in our attitudes about life, others, relationships, faith and God. Anybody who is willing to share the impact of COVID 19 in his/her life is welcome to send through email an essay not more than 200 words. The article will be published in the weekly bulletin as a means to connect and share life's experiences as we all journey together in this time of pandemic. Aside from being published we collect them and make an album so include some photos. See sample below.

Coping with the pandemic

As a new family of seven we have seen a few changes in our household during this Covid 19 pandemic. With our newest baby girl born right at the beginning of the heightened safety measures (March 19th) we experienced a fast, pushed through stay at the hospital with no visitors, which included our four other children and grandparents. What I expected to be a quiet start to my new babies life, while the children were at school for the day, actually turned into a homeschooling "organized" chaos. This pushed me into a role that I was not comfortable in but allowed each of us to come to terms with our new found positions and roles. It opened our eyes to try new things, to appreciate what we have and thank God for the many blessings in our lives. Having the children at home for an extended period of time has been a true blessing. It has been wonderful to be able to spend more time with them and for them to be able to watch their new baby sister grow. To see her milestones firsthand instead of me just telling them about them when they come home from school in the evening. They have been a great help to watch her or entertain her for a few more minutes while I'm able to complete the job I'm working on. As a family we have been able to plant a big garden. The children have seen it grow; from planting the seeds, pulling the weeds, to selling the product at the end of our driveway. They have also been extremely fortunate to be able to go through this experience with their close cousins, another family of five children. To see them everyday and go through this time with them has been a blessing as well. Their bonds have certainly grown stronger because of the time they have been able to spend together. As much as the pandemic has changed the world, it is nice to be able to spend time with family and enjoy the simple things in life once again."

Melissa B., St. John Vianney, Highland Grove

SINGING AT MASS Permission is now given for the use of a single cantor at Mass. ♣ Group singing is still strongly discouraged. ♣ Anyone singing or playing wind or brass instruments should be 2 metres from anyone else and separated by an impermeable barrier. If an impermeable barrier is not used, anyone singing or playing wind or brass instruments should be separated from any other person (outside of the same household or social circle) to the greatest extent possible (but at least 2 metres).

PARISH BULLETINS & OFFERTORY ENVELOPES Parishes may prepare paper parish bulletins effective immediately and plan a touchless way to make parish bulletins available to parishioners. Similarly, for the

distribution of offertory envelopes, parishes will do so in a manner that avoids touching and the gathering of people around a table.

SUNDAY MISSALS AND MISSALETTES Parishes can order missals and/or missalettes for parishioners and plan a touchless way to deliver the missals/missalettes. If the parish orders missals/missalettes, follow the same guidelines as noted above for parish bulletins and offertory envelopes. Advise parishioners that paper items left in the church during the pandemic will be collected and put in the recycle bin. Parishioners can order the Living with Christ missalette through the weblink that follows or by calling 1-514-523-6222: <https://en.novalis.ca/collections/subscriptions/>

CHRISTMAS AND THE SOLEMNITY OF MARY MOTHER OF GOD The information about Christmas and the Solemnity of Mary Mother of God in this Update is intended to assist parishes with their planning for the Christmas season. It is recognized that things are changing suddenly during this time of pandemic so plans for the Christmas season need to be responsive to the health precautions in place at the time.

DISPENSATION FROM THE OBLIGATION TO ATTEND MASS Priests and the faithful are reminded that the Dispensation from the obligation to attend Mass remains in effect as follows. "The obligation to attend Sunday Mass does not apply to those who are ill, especially those who suffer from a contagious illness. Those with flu-like symptoms should remain at home in order not to spread the virus to others." – +Most Reverend Bishop Miehm, March 13, 2020, COVID-19 Update #1 "During this period of transition, I continue to dispense the faithful from the obligation to attend Sunday Mass. Those most at risk because of advanced age or compromised health should consider not attending Mass during this time, or attending only weekday celebrations of the Mass when participants are fewer." - Letter from +Most Reverend Bishop Miehm to the Faithful, June 10, 2020 "This Dispensation also applies to Christmas and the Solemnity of Mary Mother of God." - +Bishop Miehm, November 10, 2020

WORDS OF WISDOM

The Road of Hope a gospel from prison by Cardinal Francis Xavier Nguyen Van Thuan

If everyone were faithful to their responsibilities in life, their growth in personal holiness would renew their won hearts and would bring about a like renewal in families and in the whole world.

Despite superficial appearances, a person who neglects his or her responsibilities in life is a false saint. Even if he or she worked "miracles" these would be out of place and become a cause of confusion. Moreover, such a person would be a burden to live with.

Some people mistakenly believe that holiness consists simply in methods of prayer, preaching or in withdrawal from" the world" taken from the examples of priests and religious of former times. On the other hand, there are those who conceive holiness only in terms of social and political activity; what is needed is both prayer and action.
